Steering Knuckle HD + Hex Wheel-Adapter (each with 2pcs) - S10 Blast

These new HD steering knuckles fit into all LRP S10 Blast models.

Art. no.: 122549

They have been considerably reinforced at the most stressed patches like bores and cut- outs. With their extreme durability, the new steering knuckles are the optimum tuning for the LRP S10 Blast BX, TX, MT, SC and TC models. The set includes 2 HD steering knuckles and 2 hex wheel- adapters.
